The Search Begins...

January begins the search for new officers. Our Executive Committee serves as the Nominations Committee, excluding the Alpha Rho President.

If you have someone you feel would fit in a position (treasurer is appointed), let one of the officers know. Please see Mrs. Curtis' email referring to the chapter rules for your reference.

Please come with nominations to the February meeting. We will vote during the March meeting.

Scholarship Information

Scholarships for graduate study are available at the state level (requires DKG membership of 3 and 5 years), and at the international level (different for master's or doctoral degree). If you are in graduate school and will be there after this school year, you may be eligible. Mrs. Curtis sent forms out about this already, or you can download them from www.dkg.org.
